## "Best of the House" Wines

Every month, we hand-select and research special new wines for our club members. Each of the wines chosen is highly rated (typically 85 points or better), so you receive wines of great value. The time and care put into selecting these wines means our wine club members get "the cream of the crop" in value from the store.

Educational materials supplied with the wines teach you about the region, the winery and the wine itself, including food pairing suggestions and age-ability guidelines.
